Brasília - DF, Brasil

Profile

Able to effectively self-manage during independent projects, as well as collaborate in a team setting, in where my leadership brings a lot to the team. I work as a Front-end Developer since July 2022 with the Vue.js Framework and minor experience with Node.js in Back-end application. I am a person that is never satisfied therefore I'm always looking to improve myself.

Employment History

Junior Front-End Developer, São Roque (jan/2023 - Present)

- Managed front-end development in the company's Management systems using the Framework Vue.js.
- Followed policies and procedures related to application methods and quality standards at all times.
- Effectively multitasked and worked well with internal and external teams.

Fullstack Developer Internship, Banco Afro (jul/2022 - Present)

- Worked well independently and on a team to solve problems.
- Worked well in a fast-paced and rapidly changing environment.
- Helped to achieve a consistent look and visual theme across the website by promoting uniform fonts, formatting, images, and layout.
- Remained knowledgeable in new standards, technologies, and trends in website development.

English Teacher, Espaço do Conhecimento (agu/2019 - feb/2020)

- Developed and implemented a well-designed curriculum for students as needed.
- Demonstrated professional practices in teaching.
- Followed instructions from Teachers and took initiative when necessary.
